

TUTORIAL AKSES SCOPUS

1. Akses Scopus Menggunakan Jaringan UNY

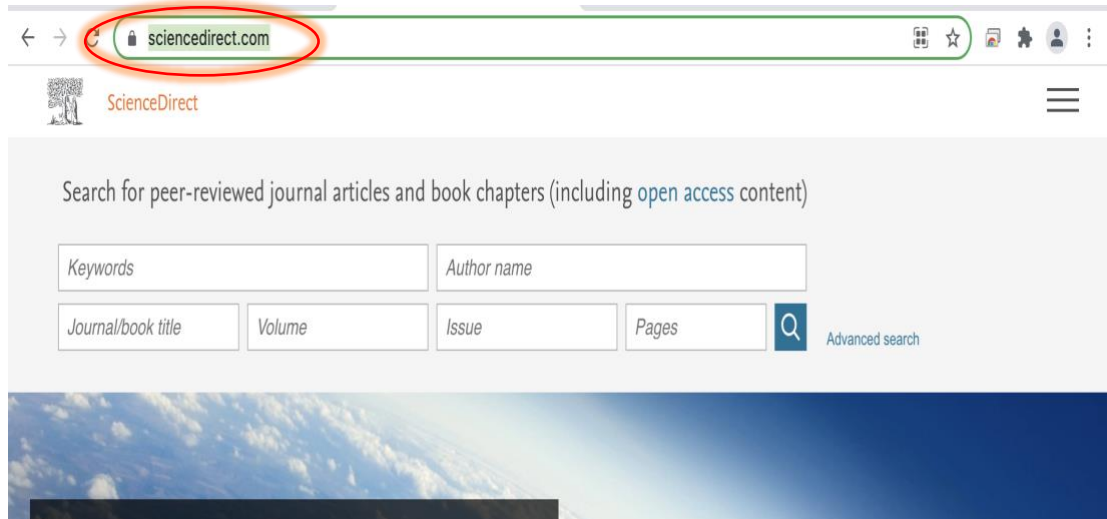

Silakan koneksikan perangkat anda dengan wifi EDUROAM atau komputer yang terhubung dengan jaringan uny. Setelah perangkat anda terkoneksi dengan jaringan uny silakan buka laman <https://www.scopus.com>. jika pada icon scopus sudah bertuliskan brought to you by state university of yogyakarta, general access seperti gambar dibawah, maka anda telah berhasil akses SCOPUS yang dilanggan uny.

The screenshot shows the Scopus website interface. At the top, there is a navigation bar with the Scopus logo, search options, and user account links. A red circle highlights a notification box that says "Brought to you by State University of Yogyakarta, General Access". Below the notification, there is a search bar with a dropdown menu for "Search within" and a "Search documents" button. The page also features a "Search History" section and a "Learn more about what Scopus can do for you" section with four icons representing different features: "Get noticed by the right people", "Find and follow experts", "Discover and get inspired", and "Browse with ease of mind". At the bottom, there is a statistics bar showing "17 million researcher profiles", "81 million curated documents", "80,000 institution profiles", and "7,000 publishers accessed".
